

Kick off Meeting
05/04/2022-06/04/2022
Tirana, Albania

Kick-off-meeting's draft Agenda

In the occasion of the first 2-days transnational co-design meeting in Tirana, hosted by National Youth Congress of Albania, partners will kick-off the EDU2030 project in the framework of the Tirana European Youth Capital 2022, title awarded by the European Youth Forum to the cities that show the greatest commitment towards active youth participation, development of local level youth policies, linking it with European level processes and fostering European values.

The choice to meet in this prestigious setting will facilitate the future involvement of stakeholders. This first meeting will include introductions, statement(s) of mission, and organization of teams or working-groups, starting to exchange the good and innovative practices in the field of the "EDU2030" project.

Moreover, the contracts will be signed by the European coordinator and the other partners at the kick-off-meeting in Tirana, Albania. Each participant organizations will reach preliminary agreements through online meetings about the Consortium bodies voting system and criteria of participants' selection and, during the kick-off-meeting in Albania, each partner will confirm the selection of the participants. During the aforementioned kick-off-meeting, the Project and Quality Management Plan (PQMP) and Dissemination and Communication one (D&C) will be drafted and, if needed, proposed for amendments according to the manifest needs of the partners.

We will also explore together the beliefs and the motives that brought the project to live: to foster open and distance learning aimed to develop key competences and green skills in localizing the goals and principles of the 2030 Agenda for Sustainable Development.

Participants: 2 staff/volunteers each participant organizations.
